JULY 2017

2017 DCAA DOGS, FRIENDS AND FAMILY PICNIC

Please join us on August 12th at 6pm at **AQ4U** for our annual friends and family picnic. DCAA will be providing the hot dogs, buns and drinks. You are welcome to invite your family and/or bring a friend. We will have corn hole and if you would like to bring a game please do. We are also looking for someone to bring a portable grill.

Please RSVP to Erin by August 4th with how many people you will be bringing and what type of side dish you will bring. If you don't care what you bring just ask Erin to assign you something.

LOGO WEAR IS READY FOR ORDERS

Please download the order form off the website should you want some logo wear. Please have all orders turned in by August 1st so we can have items back in time for our September Trial.

ROLES AND CLUB BENEFITS

We have been working on updating our roles and club benefits sheet. These should be posted on our website by end of August.

WELCOME NEW CLUB MEMBER!

AVIDOG SEMINAR

Registration is still open for the Avidog Seminar July 29-30. Saturday, July 29 will be Avidog's Transformational Puppy Rearing: Raising Healthy, Stable Dogs seminar, and Sunday, July 30 will be Avidog's Transformational Puppy Evaluation System: Matching Puppies To Lifetime Homes. The seminars are hosted by The Central Indiana Shetland Sheepdog Club, Overboard Portuguese Water Dog Club and White River Golden Retriever Club. Members of all three clubs get a discount on registration.

What we do in the first months of a dog's life set the stage for its future! Through simple methods, we can change our dog's health and temperament, setting it up for lifetime success. During this fast-paced, fun two-day seminar we will explore canine development from conception on and the specific techniques we can use to bring out the best in every puppy.

The seminar has something to offer any serious dog person, including dog breeders and owners seeking stable, confident canine competitors and companions. Dog trainers who test and evaluate individual puppies or entire litters will also benefit.
