AVIDOG SEMINAR

Registration is still open for the Avidog Seminar July 29-30. Saturday, July 29 will be Avidog's Transformational Puppy Rearing: Raising Healthy, Stable Dogs seminar, and Sunday, July 30 will be Avidog's Transformational Puppy Evaluation System: Matching Puppies To Lifetime Homes. The seminars are hosted by The Central Indiana Shetland Sheepdog Club, Overboard Portuguese Water Dog Club and White River Golden Retriever Club. Members of all three clubs get a discount on registration.

What we do in the first months of a dog's life set the stage for its future! Through simple methods, we can change our dog's health and temperament, setting it up for lifetime success. During this fast-paced, fun two-day seminar we will explore canine development from conception on and the specific techniques we can use to bring out the best in every puppy.

The seminar has something to offer any serious dog person, including dog breeders and owners seeking stable, confident canine competitors and companions. Dog trainers who test and evaluate individual puppies or entire litters will also benefit.
